

VISION
2050

KRISHNA NAND TYAGI GLOBAL UNIVERSITY (KNTGU)

WORLD'S NO. 01 MULTIDISCIPLINARY RESEARCH UNIVERSITY

DETAILED PROJECT REPORT (DPR) Concept & Master Plan

EDUCATION
For Future

RESEARCH
For Innovation

HEALTHCARE
For Humanity

SUSTAINABILITY
For Planet

DEVELOPMENT
For Society

10,000
ACRES

MEGA CAMPUS

 **10,000+**
ACRES

 **10,00,000+**
STUDENTS CAPACITY

 **25,000+**
FACULTY & RESEARCHERS

 **500+**
RESEARCH CENTRES

 **100+**
COUNTRIES IMPACT

A FUTURISTIC CAMPUS TO SHAPE THE FUTURE OF HUMANITY

FOUNDER

KANIHYA LAL

Kanhiya Lal

PROMOTED BY

KNT WORLD WELFARE
FOUNDATION

PROPOSED LOCATION

Krishna Nagar, Pahadi Khera,
Brihaspati Kund Region,
Satna District, Madhya Pradesh, India

KRISHNA NAND TYAGI GLOBAL UNIVERSITY (KNTGU)

DETAILED PROJECT REPORT (DPR)

World No. 1 Global Multidisciplinary Research University Vision

CHAPTER 1: EXECUTIVE SUMMARY

Project Name

Krishna Nand Tyagi Global University (KNTGU)

Founder

Kanhiya Lal

Sponsoring Organization

KNT World Welfare Foundation

Proposed Location

Krishna Nagar, Pahadi Khera, Brihaspati Kund Region, Satna, Madhya Pradesh

Project Type

Private University Multidisciplinary Research University Global University Model

Total Proposed Area

10,000 Acres

Total Project Cost

₹1,00,000 Crore

Development Period

10 Years

CHAPTER 2: VISION 2050

Vision Statement

To create a world-class knowledge city integrating education, research, healthcare, innovation and sustainable development.

Long-Term Targets

- 1,000,000 Students
 - 25,000 Faculty Members
 - 500 Research Centers
 - 20+ Global Schools
 - 100+ Countries Representation
-

CHAPTER 3: MASTER CAMPUS PLAN

Zone A

Central Knowledge Plaza

Area: 500 Acres

Facilities:

- Founder Square
 - Grand Library
 - Administration Complex
 - International Convention Centre
-

Zone B

Academic District

Area: 2,000 Acres

Schools:

- Engineering
- AI & Robotics
- Medicine
- Law

- Business
 - Agriculture
 - Humanities
 - Space Sciences
-

Zone C

Research & Innovation Valley

Area: 1,500 Acres

Facilities:

- AI Supercomputing Center
 - Quantum Labs
 - Biotechnology Park
 - Space Research Centre
-

Zone D

Medical City

Area: 1,000 Acres

Facilities:

- 5,000 Bed Hospital
 - Medical College
 - Cancer Institute
 - Research Laboratories
-

Zone E

Student Residential City

Area: 1,500 Acres

Capacity: 500,000 Students

Zone F

Faculty Township

Area: 800 Acres

Zone G

Sports City

Area: 700 Acres

Facilities:

- International Stadium
 - Olympic Aquatic Centre
 - Indoor Sports Dome
-

CHAPTER 4: FINANCIAL MODEL

Total Cost

₹1,00,000 Crore

Budget Allocation

Land Acquisition – ₹15,000 Crore

Academic Infrastructure – ₹18,000 Crore

Research Facilities – ₹15,000 Crore

Medical City – ₹12,000 Crore

Student Housing – ₹10,000 Crore

Faculty Township – ₹5,000 Crore

Sports Infrastructure – ₹4,000 Crore

Digital Infrastructure – ₹6,000 Crore

Utilities – ₹5,000 Crore

Innovation Fund – ₹5,000 Crore

Endowment Fund – ₹5,000 Crore

CHAPTER 5: GOVERNANCE FRAMEWORK

Board of Trustees

Functions:

- Strategic Oversight
- Financial Governance
- Institutional Development

Chancellor

Ceremonial and Strategic Head

Vice Chancellor

Chief Executive Officer

Academic Senate

Academic Governance

Research Council

Research Oversight

CHAPTER 6: SUSTAINABILITY FRAMEWORK

Renewable Energy

Target: 100% Renewable Energy

Water Management

- Rainwater Harvesting

- Water Recycling
- Smart Irrigation

Green Development

- 10 Lakh Trees
- Biodiversity Conservation Zones

Carbon Neutrality

Target: Net-Zero Campus

CHAPTER 7: EMPLOYMENT IMPACT

Construction Phase

Direct Jobs: 50,000+

Indirect Jobs: 150,000+

Operational Phase

Faculty: 25,000+

Administrative Staff: 15,000+

Healthcare Staff: 20,000+

Support Services: 40,000+

Total Direct Employment: 100,000+

CHAPTER 8: IMPLEMENTATION PLAN

Phase I (Years 1–3)

- Land Development
- Roads & Utilities
- Initial Academic Facilities

Phase II (Years 4–6)

- Research Valley

- Medical City
- Student Housing

Phase III (Years 7–8)

- Sports City
- Faculty Township
- Innovation Parks

Phase IV (Years 9–10)

- Full Campus Expansion
- Global Collaborations

CHAPTER 9: EXPECTED OUTCOMES

Education

- Global Student Community
- Research Excellence

Economy

- Regional Development
- Startup Ecosystem

Society

- Employment Generation
- Healthcare Access

Innovation

- Patents
- Research Commercialization

CHAPTER 10: CONCLUSION

KNTGU is envisioned as a transformational education and innovation ecosystem capable of contributing to national development, global research and future-ready human capital.

This DPR is a conceptual planning document and subject to legal, regulatory, environmental and financial feasibility assessments.
